DRESS CODE ENFORCEMENT

At Clear Creek Intermediate, we recognize that a student's personal style is an expression of individualism. Being well-dressed and well-groomed for school is an outward sign of politeness. We encourage our students to utilize the parameters of the CCI Dress Code to show their respect for the high-quality education they are receiving.

Any clothing, accessory, hair color, or hairstyle that is deemed inappropriate by the school administrators will result in the student being required to change or adjust prior to attending classes. Failure to comply with the Clear Creek Intermediate Dress Code will result in disciplinary action.
